

Arron d'aimar (key Am)

Arron d'aimar
quauque cop que sauneji
a mars-grana de neu
e aus navius negats
aus arrisers gaujos
au dia que punteja
au dessus d'un camin
que non s'acaba pas
que non s'acaba pas

**Que t'aime
pr'amor dau temps
qu'acacas
que t'aime
per la neu e lo huec
que t'aime
caminaram amassas
que t'aime
per l'aiga o l'eslambrec**

La hiestra que oberta
la lua que t'bailina
e tu qui vas dromir
ton cap siei amagat
per dela lo plaser
la tendressa engalina
io qu'espiai ton cos
e'u gausi pas tocar

Arron d'aimar
quauque cop que sauneji
que lo vent nos a miats
cap sus los crums negros
en un pais sens fin
ont dab tu me passeji
ont lo monde es perdonan
aus qui s'aiman, uros

After love
Sometimes I dream
Of oceans of snow
Of drowning ships
Of the laughter of children
Of the break of day

How I love you
For the time you dispel
How I love you
Through snow and fire
We will go together
Through the water and
lightening

A window is open
The moon caresses you
And you are sleeping
Your face is turned
Beyond pleasure
Tenderness surrounds you
I see your body
But I dare not touch

After love
Sometimes I dream
That the wind carries us
Above the black clouds
To a country without end
Where I go with you
Where the world forgives
Those who love and are
happy

Second verse repeated as the envoi.
